

**Model# SUA3500**

UPC Number: 616641364359

**FEATURES**

- \* Long Life Overhead Valve Engine
- \* Low-Oil Shutdown to Prevent Engine Damage
- \* High Performance Alternator
- \* Steel Fuel Tank With Fuel Gauge
- \* Hardened Steel Tube Chassis
- \* Never-Flat Wheel Kit
- \* Fold-Down Handle
- \* Circuit Breaker Protected Outlets
- \* Weather Protected Outlets
- \* Low Tone Muffler

| Gasoline Portable Generator        |                                    |
|------------------------------------|------------------------------------|
| Rated Output Watts                 | 3000W                              |
| Maximum Output Watts               | 3500W                              |
| Rated Voltage                      | 120V/240 AC                        |
| Frequency                          | 60Hz                               |
| Rated Amperage                     | 25/12.5A                           |
| Maximum Amperage                   | 29.2/14.6A                         |
| Alternator                         | Senci                              |
| Engine Displacement                | 208cc / 7HP                        |
| Engine Type                        |                                    |
| Engine RPM                         | 3600 RPM                           |
| Recommended Oil                    | SAE 10w30                          |
| Lubrication Method                 | Splash Sump                        |
| Choke Type                         | Manual Lever                       |
| Fuel shut Off                      | Manual Lever                       |
| Hour Meter                         | No                                 |
| Starting Method                    | Manual/Pull Start                  |
| Battery                            | N/A                                |
| Battery Size                       | N/A                                |
| Low Oil Shutdown Method            | Automatecally                      |
| Start Switch type                  | On/Off Toggle                      |
| Switch Location                    | On Control Panel                   |
| Spark Plug                         | Yes                                |
| Fuel gauge                         | Built in Fuel Tank                 |
| Fuel Tank Capacity (Gal.)          | 4                                  |
| Run Time @ 50% (Hours)             | 15                                 |
| Handle Style                       | Folding                            |
| Wheel Type                         | Solid Wheels                       |
| Sound Level (dB)                   | 67dB                               |
| Maintenance Kit                    | Yes                                |
| Complaint                          | EPA                                |
| Assembled Length (in.)             | 23.4                               |
| Assembled Width (in.)              | 23                                 |
| Assembled Height (in.)             | 21.3                               |
| Package Dimensions (L*W*H)(in.)    | 25X19.5X21                         |
| Net Weight(Assembled)              | 108 Lbs                            |
| Gross Weight(Assembled)            | 114 Lbs                            |
| Load Quantity 40'/20' Container    | 344ea/168ea                        |
| Load Quantity 53' Trailer          |                                    |
| Pallet Quantity - 40" X 48" Pallet |                                    |
| Outlets:                           | 2 - 120v 20R, 1 - 114-30R 120/240v |
