

CS5 GRAND

- **PREMIUM TOURING:** La CS5 Grand, está fabricada con lo último en tecnología e innovación para satisfacer las necesidades del consumidor que busca llantas de alto desempeño.
- **NUEVA GENERACIÓN DE COMPUESTO DE SÍLICA:** El secreto en la tracción de una llanta empieza a nivel molecular, por eso la sílica provee un excepcional desempeño en cualquier temporada, maximiza el frenado, disipa el calor y genera menos resistencia al rodamiento contribuyendo al ahorro de combustible.
- **NUEVO INDICADOR DE DESGASTE - WEAR SQUARE:** Tecnología patentada de Cooper que permite conocer la vida útil de la llanta.
- **DISEÑO ASIMÉTRICO:** 5 costillas diseñadas para reducir el desgaste irregular y tener un mejor desempeño y menos ruido al conducir

RANGO DE VELOCIDAD
(T)=190 km/h
