Original Equipment Fitments:

Audi A5 • Mercedes E63 AMG

See pages 10 – 11 for details.

¹ Tests conducted in 2009 by Germany's independent TÜV SÜD Automotive centre using 245/40ZR18 Y tires. Compared with the MICHELIN® Pilot® Sport PS2™ tire.

² The MICHELIN® Pilot® Sport tire range is certified for use on more than 200 original equipment models.

Some vehicles come from the vehicle manufacturer with "split fitments" — meaning different size tires on the front and rear axles. Because these tires cannot be rotated as recommended by Michelin, the mileage warranty on each rear tire will cover half the number of miles as the standard mileage warranty for that particular tire design.
